

AMBERSOLV FOAMING CLEANER CITRUS FOAM CLEANER

AMBERSOLV FOAMING CLEANER is based on a blend of orange terpenes, solvents and surfactants. Formulated as a stable foam it gives extra contact time on surfaces and is particularly suitable for vertical surfaces because of the controlled breakdown of the foam.

APPLICATIONS

Ideal for removing dirt and contamination from all hard surfaces, including photocopiers, computers, fax machines and other office equipment.

Apply from a distance of 6" - 9" (15 - 25 cm) and wipe away with a clean cloth.

**N.B. Not for use on live equipment. Do not apply directly onto keyboards or similar equipment.
Always test a small, inconspicuous area before general use.**

TECHNICAL DATA

| | | |
|-----------------|---|--|
| Appearance | : | White foam |
| Odour | : | Citrus |
| SG @ 25°C | : | 0.895 |
| Pressure @ 25°C | : | 4 Bar |
| Discharge rate | : | 2.5 g/sec |
| Solubility | : | Water miscible |
| Flammability | : | Classified as extremely flammable under current EC Regulations |
| Flashpoint | : | Not applicable in sealed aerosol |
| Packaging | : | 400ml aerosol (12 per carton) |

STORAGE

The product may be stored at normal ambient temperatures and has a shelf life of not less than 12 months with correct storage. Aerosols should always be stored below 50°C, away from direct heat and naked flame.

HEALTH AND SAFETY

Health and Safety sheet available separately.

TECHNICAL SERVICE

Ambersil provides a technical support service and maintains a constant programme of research and development. We are able to assist customers by specific product development to meet particular requirements.
